

## Commercial Flooring News

### Protect-All® Flooring Installation at Best Friends

Protect-All Flooring was installed recently at Best Friends Pet Care in Clinton Township, MI. Best Friends provides doggy daycare, boarding, and grooming services. This installation is in a multi-purpose room, used for training and exercising. The dogs love running and playing on the new flooring. Protect-All is an excellent flooring choice for animal care facilities, because it is:

- Slip-resistant, even when wet
- Puncture- and impact-resistant
- Comfortable underfoot
- Stain- and odor-resistant
- Easy to clean
- Sound-absorptive

Conventional Carpet in Sterling Heights, MI installed this project. The 5'x8' Protect-All mats were glued down and heat-welded, with a Johnsonite wheeled transition strip installed at the perimeter.

Protect-All is **made in Oscoda, MI** from recycled vinyl, and installed by factory-trained certified flooring contractors. Please [contact me](#) for samples or more info, or check out the Protect-All website [here](#).

### Transitions Chainset

Many of you have asked me if Johnsonite makes a chainset that includes **all** of the transitions samples. Well your wish has now been granted—it's here!

Please [contact me](#) if you'd like to order one.

### NEW - Johnsonite SlideLock™

Johnsonite introduces SlideLock, a new **glueless flooring system**. SlideLock is a 24"x24" rubber tile available in 18 speckled Inertia colorways. SlideLock installs quickly, and **can be used over access floors** and subfloors that are not suitable for adhering tile for various reasons. SlideLock tiles can be easily removed and replaced. SlideLock is also an excellent choice for **trade shows** and other temporary installations. Please [contact me](#) to order a brochure, samples, or if you have any questions about SlideLock.

### NEW - Timeless Designs Click LVT Plank

CDC Flooring introduces Timeless Designs Elegance Collection Click LVT. This is a 6"x36"x4mm LVT plank with a **Välinge locking system**, 0.5mm wear layer, and 10 year light commercial warranty. TD Click LVT is a **glueless floating floor** suitable for a variety of installations, including subfloors with **abatement or moisture issues**, retail, lunchrooms, and almost anywhere you would use an LVT. We are stocking 6 colors at CDC HQ in Cincinnati, and architect folders are available. Please [contact me](#) to see how easily this system works in person, to order a folder, or if you have any questions about TD Click LVT.
