NEW - Tarkett Performa

Performa is a new and economical heterogeneous sheet vinyl offering by Tarkett. Manufactured in North America, Performa offers a matte finish and a warm, natural look in 15 woodgrain and 3 stone visuals. Performa has a durable 25 mil wear layer and is available in both **6'** and **12' widths** for **reduced seaming**. This **easy-care** flooring is suitable for health care, home health care, corporate, hospitality, and many other settings. Take a look at this new collection online [here](#). Please [contact me](#) if you'd like to order an architect folder or individual samples, or if you'd like any additional info about Performa.

VCT UPDATE

Tarkett recently made some changes to the composition tile collections. The standard VCT offering has been recolored. A pdf **color chart** of the new offering and a **crossover chart** are now available. **Individual samples** are available, and new chip boxes should be available soon. Inventory of the new colors is now ramping up.

Textile VCT and **Gemstone SVT** have been dropped. Please [contact me](#) if you have any questions about the VCT update, or if you would like me to send the new VCT color chart and/or crossover chart to you.

Tarkett North America has transitioned their sub-brands Azrock and Johnsonite (and others) to the Tarkett brand. They have also launched a new website. Check it out at [here](#), and let me know if you need any help finding anything on the new site.

Melodia/Aria UPDATE

The Tarkett Melodia and Aria 2.0 homogeneous sheet and tile collections have been updated to Melodia and Aria 3.0, and offer refreshed color palettes. Several new colors were added, some were dropped, and some were carried over - a few of these with new color names. A new architect folder and individual samples are now available. Please [contact me](#) if you would like to order any samples, or if you would like any additional info about [Melodia/Aria 3.0](#).

MicroTone UPDATE

Several colorways in the Tarkett MicroTone speckled rubber tile collection have been moved to non-promoted status as of 1/1/2019. Please [contact me](#) if you would like a chart listing the current and non-promoted colors. New sample sets are available, and you can also view the current colorways online [here](#).
